ASSIGNMENT OF BENEFITS, RELEASE & DEMAND

I, the undersigned patient/insured knowingly, voluntarily and intentionally assign the rights and benefits of my automobile Insurance, a/k/a Personal Injury Protection (hereinafter PIP), Uninsured Motorist, and Medical Payments policy of insurance to the above health care provider. I understand it is the intention of the provider to accept this assignment of benefits in lieu of demanding payment at the time services are rendered. I understand this document will allow the provider to file suit against an insurer for payment of the insurance benefits or an explanation of benefits and to seek 627.428 damages from the insurer. If the provider's bills are applied to a deductible, I agree this will serve as a benefit to me. The assignment of benefits includes the cost of transportation, medications, supplies, overdue interest and any potential claim for common law or statutory bad faith/unfair claims handling. If the insurer disputes the validity of this assignment of benefits then the insurer is instructed to notify the provider in writing within five days of receipt of this document. The undersigned directs the insurer to pay the health care provider the maximum amount directly without an reductions & without including patients name on the check. To the extent the PIP insurer contends there is a material misrepresentation on the application for insurance resulting in the policy of insurance is declared voided, rescinded, or cancelled. I, as the name insured under said policy of insurance, hereby assign the right to receive the premiums paid for my PIP insurance to this provider and to file suit for recovery of the premium refunded, then the provider is directed to mail the patient/ named insured a check which represents the difference between the medical bills and the premiums paid.

Disputes: The insurer is directed by the provider and the undersigned to not issue any checks or drafts in partial settlement of a claim that contain or are accompanied by language releasing the insurer or its uninsured/patient from liability unless there has been a prior written settlement agreed to by the health provider (specifically office manager) and the insurer as to the amount payable under the insurance policy. The insured and the provider hereby contests and objects to any reductions or partial payments. Any partial or reduced payment, regardless of the accompanying language, issued by the insurer and deposited by the provider shall be done so under protest, at the risk of the insurer, and the deposit shall not be deemed a waiver, accord, satisfaction, discharge, settlement or agreement by the provider accept a reduced amount paid in full. The insurer is hereby placed on notice that this provider reserves the right to seek full amount of the bills submitted. If the PIP insurer states it can pay claims at 200% of Medicare the insurer is instructed and directed to provide to this provider with a copy of the policy of insurance within 10 days. **Any effort by the insurer to pay a disputed debt as full satisfaction must be mailed to the address above, after speaking with the office manager, and mailed to the attention of the Office Manager. See Fla. Stat. 673.3111.**

EUO's and IME's: If the insurer schedules a defense examination or examination under oath (hereinafter "EUO") the insurer is hereby INSTRUCTED to send a copy of said notification to this provider. The provider or the provider's attorney is expressly authorized to appear at any EUO or IME set by the insurer. The health care provider is not the agent of the insurer or the patient for any purpose. This assignment applies to both past and future medical expenses and is valid even if undated. A photocopy of this assignment is to be considered as valid as the original. I agree to pay any applicable deductible, co-payments, for services rendered after the policy of insurance exhausts and for any other services rendered by the above provider; and to the request and obtain a copy of any statements or examinations under oath given by patient.

Release of information: I authorize this provider to: furnish an insurer, an insurer's intermediary, the patient's other medical providers and the patient's attorney via mail, fax, or email, with any and all information that may be contained in the medical records; to obtain insurance explanation of benefits (EOB's) for all provider's and non-redacted PIP payout sheets; obtain ant written and verbal statements the patient or anyone else provided to the insurer; obtain copies of the entire claim file, the property damage file, and all medical records, including but not limited to, documents, reports, scans, notes, bills, opinions, X-rays, IME's, and MRI's, from any other medical provider or any insurer. The provider is permitted to produce my medical records to its attorney in connection with any pending lawsuits. The insurer is directed to keep the patient's medical records from this provider private and confidential. The insurer is not authorized to provide these medical records to anyone without the patient's and the provider's prior express written permission.

Demand: Demand is hereby made for the insurer to pay bills within 30 days without reductions and to mail the latest non-redacted PIP payout sheet and the insurance coverage declaration sheet to the above provider within 15 days. The insurer is directed to pay bills in the order they are received. However, if a bill from this provider and a claim form anyone else is received by the insurer on the same day the insurer is directed to not apply this provider's bill to deductible. If a bill from this provider and claim from anyone else is received by the insurer on the same day then the insurer is directed to pay this provider first before the policy is exhausted. In the event provider's medical bills are disputed or reduced by the insurer for any reason, or amount, the insurer is to set aside the entire amount disputed or reduced; escrow the full amount at issue; and not pay the disputed amount to anyone or any entity, including myself, until the dispute is resolved by a Court. Do not exhausted the policy. The insurer is instructed to inform, in writing, the provider of any dispute.

Certification: I certify that: I have read and agree to the above; I have not been solicited or promised anything in exchange for receiving health care; I have not received any promises or guarantees from anyone as to the results that may be obtained by any treatment or service; and I agree the provider's prices for medical services, treatment and supplies are reasonable, usual and customary.

I, the patient, do hereby authorize South Florida Injury Centers, Inc (hereinafter "this provider) to furnish me and/or my attorney(s), with pre-paid copies of medical records relevant to my injury or accident. I further authorize and direct my attorney to pay directly to this provider , such sums of monies as may be due and owing to them, (a) for medical services rendered to me for the injury and/or, (b) for any other services, supplies, or reports, and/or (c) legal medical(i.e. impairment rating reports, attorney-physician conferences, and depositions) and to withhold such sums from any settlement, insurance proceeds of any kind or judgment as may be necessary to adequately protect and pay for my treatment. While I am injured and need care, I cannot financially afford to pay your bill at the time services are rendered. I, therefore, grant this provider a lien on my claim against any and all providers of any settlement, insurance benefits or judgment which may be paid to you, my attorney, or myself as the result of the injuries for which I have been treated for/or other related services. I understand that this provider has agreed to provide me with quality medical services and wait for payment as a courtesy to me until such time as my potential claim against either person or entity which caused my injuries or the insurance company providing said person with insurance resolves. We understand insurance companies have limited resources, will hire defense lawyers and defense experts that will cause our payment to be delayed for months or years.

HOWEVER, REGARDLESS OF THE OUTCOME OF THE TRIAL AND REGARDLESS OF WHAT THE JURY AWARDS, THE PATIENT SHALL REMAIN LIABLE TO THE PHYSICIAN FOR MEDICAL SERVICES RENDERED. THE PATIENT'S BILL IS NOT CONTINGENT ON TESTIMONY FROM HIS/HER HEALTHCARE PROVIDER AND THE HEALTHCARE PROVIDER SHALL ONLY BE REQUIRED TO TESTIFY IF SUBPOENAED TO SO.

I fully understand that I am directly and fully responsible to the above health care provider for all medical bills submitted by them for services rendered to me and that this agreement is made solely for their additional protection and in consideration of the services provided.

I further understand that such payment is not contingent on any insurance company's determination, with the exception of a recognized workers compensation case or PIP case, as to the appropriateness of services rendered and/or fees charged. Alternative third party payment, if accepted, is done as a courtesy provided by this provider.

Our practice is committed to providing the best treatment possible for our patients and we charge what is usual and customary for our area. In the event you default on payments we may have to seek help from a collection agency. If this situation should occur you will be responsible for any and all Collection fees as well as for your existing balance. A fee of $25 will be charged for returned checked. I further agree to pay this medical provider's legal fees and costs if I am sued by this provider, or its assignees, for payment of my unpaid medical expenses.

By my signature below, I hereby waive and/or relinquish my right to contest and/or otherwise make any legal objections as to the appropriateness of this agreement and that my attorney has advised me of the same. I understand that this agreement shall be governed by the laws of the State of Florida.

HARDSHIP AGREEMENT

Date: ____________

To Whom It May Concern:

By my signature below I am requesting that my doctor reduce normal and customary fees charged so as to allow me to receive chiropractic care. My financial circumstances are such that if I were to pay the customary fees charged I would be forced (due to economic reasons) to not receive care.

I recognize that any agreement made to assist me is purely confidential and that my fee arrangement would be different than that which is standard in the office.

If my insurance company policy demands full payment of the deductible or co-payments, I agree that it is my responsibility to notify my insurance carrier that due to economic hardship I am only making partial payment.

INFORMED CONSENT DOCUMENT

PATIENT NAME:____

To the patient: Please read this entire document prior to signing it. It is important that you understand the information contained in this document. Please ask questions before you sign if there is anything that is unclear.

The nature of the chiropractic adjustment.

The primary treatment I use as a Doctor of Chiropractic is spinal manipulative therapy. I will use that procedure to treat you. I may use my hands or a mechanical instrument upon your body in such a way as to move your joints. That may cause an audible "pop" or "click" much as you have experienced when you "crack" your knuckles. You may feel a sense of movement.

Analysis/ Examination/ Treatment

As a part of the analysis, examination, and treatment, you are consenting to the following procedures:(please initial each)

___ Spinal Manipulative therapy
___ Range of motion testing
___ Muscle strength testing
___ Ultrasound
___ Radiographic studies
___ Other(please explain)

___ Palpation
___ Orthopedic testing
___ Postural Analysis
___ Hot/Cold therapy
___ Vital signs
___ Basic neurological testing

___ EMS

____

____

The material risks inherent in chiropractic adjustment.

As with healthcare procedure, there are certain complications which may arise during chiropractic manipulation and therapy. These complications include but are not limited to: fractures, disc injuries, dislocations, muscle strain, cervical myelopathy, costovertebral strains and separations, and burns. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck leading to or contributing to serious complications including stroke. Some patients will feel some stiffness and soreness following the first few days of treatment. I will make every reasonable effort during the examination to screen for contraindications to care; however, if you have a condition that would otherwise not come to my attention, it is your responsibility to inform me.

The probability of those risks occurring.

Fractures are rare occurrences and generally result from some underlying weakness of the bone which I check for during the taking of your history and during examination and X-ray. Stroke has been the subject of tremendous disagreement. The incidences of stroke are exceedingly rare and are estimated to occur between one in one million and one in five million cervical adjustments. The other complications are also generally described as rare.

INFORMED CONSENT DOCUMENT

The availability and nature of other treatment options.

Other treatment options for your condition may include:

- Self-administered, over the counter analgesics and rest
- Medical care and prescription drugs such as anti- inflammatory, muscle relaxants and pain killers
- Hospitalization
- Surgery

If you chose to use one of the above noted "other treatment" options, you should be aware that there are risks and benefits of such options and you may wish to discuss these with your primary medical physician.

The risks and dangers attendant to remaining untreated.

Remaining untreated may allow the formation of adhesions and reduce mobility which may set up a pain reaction further reducing mobility. Over time this process may complicate treatment making it more difficult and less effective the longer it is postponed.

DO NOT SIGN UNTIL YOU HAVE READ AND UNDERSTAND THE ABOVE.

PLEASE CHECK THE APPROPRIATE BLOACK AND SIGN BELOW

I have read ( ) or have had read to me ( ) the explanation of the chiropractic adjustment and related treatment. I have had discussed it with Dr. Wilner and have had my questions answered to my satisfaction. By signing below I state I have weighed the risks involved in undergoing treatment and have decided that it is in my best interest to undergo the treatment recommended. Having informed of the risks, I hereby give my consent to that treatment.

Research. Under certain circumstances, we may use and disclose Health Information for research. For example, a research project may involve comparing the health of patients who receive one treatment to those who receive another for the same condition. Before we use or disclose Health Information for research, the project will go through a special approval process. Even without special approval, we may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes.
